PROFESSIONAL SUMMARY

Program Manager with 5+ years in Founder's Office roles across Strategy & Operations. Track record of diagnosing operational inefficiencies, designing solutions from scratch, and owning full-cycle execution — BRD to adoption — across Finance, Supply Chain, Legal and Product teams. Known for translating ambiguous problems into structured systems that scale.

PROFESSIONAL EXPERIENCE

Feb 2022 – Present

Program Manager II (Apr 2025) → Program Manager I (Jul 2023) → Asst. Manager (Sep 2022) → Onboarding Associate (Feb 2022)

- **Order Management System:** Identified manual order processing as the primary bottleneck; proposed and led development of a custom tool from BRD to adoption. Reduced processing time from ~3 hours to under 30 minutes across 10k+ monthly orders, with no increase in team size.
- **Logistics & SLA Optimisation:** Implemented automated real-time dispatch tracking, raising SLA adherence from 70% to 90% within 6 months, reducing average delivery time by 3 days.
- **Zoho One Implementation:** Diagnosed fragmented tooling across 6 platforms as the root cause of ops inefficiency; proposed and led org-wide migration to Zoho One, consolidating CRM, Inventory, Books, Analytics and Projects — cutting annual software costs by 3x.
- **Procurement & Inventory:** Designed end-to-end procurement flow — PO to stock-in with QC categorisation — enabling real-time inventory visibility and structured fulfilment planning where none existed.
- **Service & Replacement Management:** Identified lack of visibility in replacement fulfilment as a key CSAT risk; built tracking system ensuring 100% on-system visibility and measurably improving resolution turnaround and customer satisfaction scores.
- **Revenue & Partner Growth:** Conceptualised and launched Partners Meet programme and incentive schemes; drove 30% year-on-year growth in partner revenue. Built Looker Studio sales dashboard tracking demos, visits and conversions — directly improving sales team output.
- **Team & Cross-functional Leadership:** Managed 4 direct reports; led execution across Finance, Supply Chain, Legal, Product and Marketing — owning timelines, escalations and stakeholder alignment end-to-end.
